Date: 21/01/2020

Dear Sir/Madam,
Greetings from Association of Rice Research Workers, Cuttack!!!

Association of Rice Research Workers (ARRW), Cuttack was to organize the **1st Indian Rice Congress-2020 on "Research and Development for Achieving Sustainable Development Goals"** during 27-29 February 2020 in association with Indian Council of Agricultural Research (ICAR), New Delhi; ICAR- Indian Institute of Rice Research (IIRR), Hyderabad and ICAR-National Rice Research Institute (NRRI), Cuttack at ICAR-NRRI, Cuttack, Odisha, India.

The major goal of the Congress is to make **"Rice: a Wheel to Achieve United Nations Sustainable Development Goals"**. An exhibition on 'Rice Technologies for Doubling Farmers' Income' will be organized to showcase the various state-of-the-art products and technologies in rice. We find the month of October' 2020 will be most suitable where technologies can be demonstrated on the field of NRRI. Weather at Cuttack will be very comfortable during that time and large number of participants across the country and abroad will be able to participate in the Congress.

In view of the above the **1st Indian Rice Congress-2020 on "Research and Development for Achieving Sustainable Development Goals"** is postponed to **06-08 October 2020**.

The inconveniences caused are deeply regretted.

The date for submission of abstract, registration form along with the registration fee has been extended up to 31st July 2020

Detailed information about the Congress is available in our website at <http://arrworyza.com/> and you may e-mail for further clarification at secretaryarrw@gmail.com.

With kind regards.

Yours sincerely,

(M J BAIG)
Secretary, ARRW
